Movement, Stillness, and Insight:

My 3 Daily Non-Negotiables

for a Busy World By Carl Phillip www.tinybuddah.com

We live in a busy world. There is always something, or someone, fighting for our attention.

To combat this pull to overwhelm, I decided to create a list of daily non-negotiables that I call

My Daily 3: Movement, Stillness, and Insight

Movement - This is time for either a formal movement practice like strength work, weight training, or aerobics, or informal stretching, playing, or just taking a walk. Some days will include a combination of all.

Stillness - Time to reflect, to ponder. Time to absorb. Time to reset, replenish, to be. This can be seated meditation, prayer, long walks, listening to music, or writing. This is also time for gratitude inventories and thinking of how I can be of service to others. And less frequently, this space also means time for more indulgent self-care routines like a massage or mani-pedi... time to switch off and be pampered.

Insight - Time to learn something new or dig deeper into an area of interest, which usually involves reading (or re-reading) a book, listening to a podcast, or listening to someone smart. This can also be time to go deeper on a subject in a more expansive way - a course, workshop, or some time with a coach of some sort.

Next week - 3 Whys & The Time Conundrum

Happy 62nd Wedding Anniversary!

Howard Johnson & Marilyn Sennet were married on September 12, 1959 in Holy Trinity Church!

Introductions to Sunday Readings

by Bishop Ken Untener, in collaboration with Catherine Haven and Fr. Bill Taylor

First Reading - Isaiah 50:4-9

Chapters 40-55 of the book of Isaiah contain the message of a prophet who spoke to God's people during their exile in Babylon. Several times, the prophet speaks about a "Servant of God" who will one day deliver God's people and face many sufferings in doing so. Christians have traditionally identified Jesus with this "suffering Servant."

Second Reading - James 2:14-18

Among the New Testament letters, the letter of James is the one most attentive to social justice. Today's passage offers practical advice about how to put our faith into action.

RCIA

Rite of Christian Initiation of Adults

September 12th, 19th and 26th

September 12th - Your Journey of Faith

11:30 PM St. John Rectory

Class forming during this Period of Inquiry!

If you're interested in becoming Catholic, or you know someone who may be interested, please contact the parish office 422-0602.

Sacrament of the Anointing of the Sick

We sometimes receive phone calls asking Fr. Civile to give "Last Rites." Previously administered only to the dying or critically ill, the sacrament is known now as the Sacrament of the Anointing of the Sick. Today the sacrament is extended to all who are ill or are about to undergo an operation or treatment. **Like the sacraments of Eucharist and Reconciliation, to which it is closely linked, the Sacrament of the Anointing of the Sick can be repeated as often as necessary. There is no need nor reason to wait for the last possible moment.** You're encouraged to call the parish office 422-0602 if you would like to receive the Anointing of the Sick for yourself or a loved one.

Holy Family Parishioners Invited to Help Fr. Derek's Holy Family Hospital

We first met Fr. Derick in 2013 while he was in the US studying Health Management to better serve his dioceses in Ghana, West Africa. We've been lucky to have Fr. Derick return for visits the past several years, including a Lent Talk he gave in 2015 which featured his book *Your Uniqueness - Discovering Who You Are Meant to Be*, and for weekends in 2016 and 2018. Fr. Derick is currently the Hospital Administrator of Holy Family Hospital in Nkawkaw, Ghana and he's here to talk about the construction of the male and female wards.

PHOTO BY ROB MCCULLEY

According to Fr. Derick, the current blocks designated as male and female wards were old classrooms that were converted into wards about sixty years ago by the Missionary Sisters Servants of the Holy Spirit (SSpS) after establishing the facility in 1949. The hospital which serves as a referral center receives cases from the nearby hospitals/clinics and this sometimes stretches the admission capacity. It gets to a point where patients who are to be transited to the ward from the Emergency spend days at the Emergency because the wards are full. **Currently the bed capacity of the ward is 70. The proposed block will increase the capacity to 200 with a Physiotherapy Unit, Intensive Care Unit and a Stroke Unit.** Help is thus being solicited in terms of money or medical equipment to execute the project.

Children of Shanghai Documentary Premier

Thursday, September 16th 9:15 - 10:30 AM

Vineyard Cincinnati Church, Springdale

Adventurer Bear Grylls narrates this documentary feature about China's first generation of foster children and the extraordinary Robert Glover, who, together with his wife Elizabeth and their six young children, moved from the UK to China in 1998. They introduced the Chinese government to the idea of foster care and eventually helped place a million Chinese orphans with families – a large majority of them people of faith.

Filmed in Shanghai, Beijing and Chengdu, with unprecedented access to all levels of Chinese society, this is a powerful and inspiring testament to the power of international cooperation and human compassion. Contact Melany Ethridge to attend this premier 214-912-8934.
