## Happy 4<sup>th</sup> of July!

Dear brothers and sisters

This coming Saturday as we are celebrating our 244<sup>th</sup> Independence Day I wish you all A Very Happy Independence Day. Happy 4<sup>th</sup> of July Weekend to all! The 4th of July is just a day for the citizens of other countries, but to us Americans, it means much more than that. It's an opportunity to thank God for the abundant blessings that he has bestowed upon us, and on our country. Let's not forget that our independence was won and is maintained by the sacrifice of many lives. Let's remember and offer special prayers for our freedom fighters and for their families.

I would like to remind you during this 4<sup>th</sup> of July week that our nation was founded on belief in God. The President takes his oath of office by placing his hand on the Bible, the Word of God, and ends with, "So help me God." In our pledge of allegiance we say, "One nation under God." Engraved on our money is "In God we trust." Our Congress has a chaplain, begins each session with a prayer, and provides for chaplains for the Military. From the above it is certain that our Founding Fathers wanted our country to be faithful to God always. They believed that there is no brotherhood of man without the Fatherhood of God. I ask you all to realize this truth and not to become overly dependent on ourselves; let us not be caught in the shackles of our own pride and selfishness. Let us always be dependent on God.

May God continue to bless us with a true and beautiful understanding of our independence. May God bless us with peace, prosperity, and the common good. And may God bless America! Happy 4<sup>th</sup> of July!

**What is T4T** ~ T4T stands for Today for Tomorrow. Fr Jim Brinkmann a former Pastor of St. Anne's started this while he served here. The fund is meant to be used for projects that arise in the Parish. We take this collection each week and put it into a savings account and it isn't used except for special needs. Some of the things the T4T has helped with is the stain glass window project, the new roof on the church and the crack filling and sealing of the parking lots.

### An Act of Spiritual Communion

My Jesus,

I believe that You are present in the Most Holy Sacrament.

I love You above all things, and I desire to receive You into my soul.

Since I cannot at this moment receive You sacramentally,

come at least spiritually into my heart.

I embrace You as if You were already there and unite myself wholly to You. Never permit me to be separated from You.

Amen.

Thank you to everyone who helped last weekend at the Masses. It was greatly appreciated. Thank you once again and please continue to volunteer to make it possible for Masses to happen in our cluster.

**St. Joseph Prayer Line Requests ~** For prayer line requests, please contact Peggy Olson 715-294-2796 or Micki Baillargeon 715-294-3320. They will help you with the process of getting your loved one on the prayer line.

**Extreme Faith Camp ~ Thank you!** This year, we were not able to experience Extreme Faith Camp at our regular location of Crosswoods Camp. Instead, we safely had adventures right around our community! 31 students from St. Anne's Parish came together with 25 students from Immaculate Conception in New Richmond for activities that included the Trollhaugen high ropes course, kayaking the Willow River, swimming, and hiking at Willow River State Park. In the evenings, we watched the live-streaming of the Diocesan programming together, including praise and worship, amazing talks, testimonies, Bible verses, and a saint of the day—all based on the theme that God is present. Thank you to our amazing parish for your prayers, to the adult leaders who helped during the week, and to the parents who helped bring their children back and forth from activities. We are blessed!

**Mission Trip – Local Edition. Projects needed!** This year's high school mission trip, originally scheduled for the Cheyenne River Reservation in South Dakota, has been cancelled due to COVID-19. However, we are still desiring to be the hands and feet of Christ in our local community! If you have a project that could help us in this mission, please contact Sara at 715-529-7272.

## Reflection

**June 28, 2020**

**13<sup>th</sup> Sunday in Ordinary Time**

When we were baptized, we were baptized into Christ's death. Take a moment to ponder these profound words. We were baptized into death. In every sense of the word, we are asked to die. This is not just about our final death but about daily deaths due to inconvenience, discomfort, pain, loss, or others' needs. This is an incredible epiphany given the way we very often approach our lives. We do everything to avoid death, let alone encounter it! Many avoid pain, discomfort, inconvenience, uneasiness, change, interference, and suffering of any kind. We put a lot of energy into finding the easiest and least inconvenient way through many things. Even holding the door open for a stranger or saying hello to someone in the store can be major undertakings.

We are called to die. One of the biggest wake-up calls we can have is realizing that life is not about us! There are millions of other people sharing life on this planet with whom I have a relationship. Does my life celebrate those relationships? The most distracting question we can ask is, "What do I want to do?" The more focused, faith-filled question is, "What do I need to do?" What I need to do may not be what I want to do. However, asking this question more frequently will teach us how to more purposefully and intentionally live so we can be a life giving vessel for others. When we learn to live more sacrificially, to put the needs of others before our own, and to not always seek our own self-interest, we become aware of what baptism into Christ's death is really all about. These are the roots of virtue and the seedbed for justice, tolerance, solidarity, love, and peace.

Learning how to accept all the "small deaths" and sacrifices life calls us to teaches us how to approach our final death. All deaths ask us to empty ourselves into something or someone else. Whether we empty ourselves into the heart and soul of another human being or empty ourselves into God at the moment of our final death, new life is always received and nurtured. A heart that exclusively seeks its own interest is a heart that is closed to love. A heart that pours itself out to others and is content with being emptied is a heart that has been touched by and open to mercy. It is a heart that overflows with joy.
