## **APRIL IS CHILD ABUSE PREVENTION MONTH**

### **INTERNET SAFETY FOR KIDS**

The Internet has become the new schoolyard for child molesters seeking girls or boys to victimize. Internet “chat rooms” provide a teenager with an opportunity to engage in a “live” conversation with friends from school or church, or with other teenagers from around the world. Law enforcement has found that child molesters use chat rooms to gain easy and safe access to teens. Because of the seemingly caring and seductive talent of child molesters, teenagers should be warned that when they are in a chat room, they should never provide anyone with private information, personal information, and especially their specific physical location.

### **PRIESTLY ORDINATION**

Please join Bishop Blaire and the people of our diocese for the *Ordination of Cesar Martinez* to the Priesthood on Saturday, June 6 at 10 am at the Cathedral of the Annunciation. During these final days of preparation, please keep Cesar in your prayers.

Our diocese rejoices with Ronald Manango who was ordained to the transitional diaconate on Saturday, April 18, 2015. He will be working in parishes over the next year as he continues to prepare for priestly ordination in 2016.

## **Reflecting on God’s Word**

Some vaccinations only last so long. After a predictable amount of time the immunity wears off and people are susceptible to the same old disease again. That’s when it’s time for a booster shot. It seems that we also need booster shots for faith. Baptism alone is not enough. The joy and peace that filled our communities two weeks ago are probably starting to flag and our old selves may be starting to re-emerge. We need a weekly dose of Resurrection appearances, in the Eucharist we share.

All three of this week’s readings as well as the psalm point out the weakness of our human faith. Yet they emphasize the forgiveness and blessing that are always available to those who turn to “Jesus Christ the righteous one.” Can we recognize ourselves in Luke’s Gospel today? Do we realize how deeply we depend on our weekly “booster shot” of the Eucharist to remember and reclaim the saving presence of the risen Lord?

## **Reflexionemos sobre la Palabra de Dios**

El efecto de algunas vacunas es temporal. Después de un tiempo predecible la inmunidad desaparece y las personas vuelven a ser susceptibles a la misma enfermedad. Es entonces que se necesita una inyección de refuerzo. Parece ser que también nosotros necesitamos inyecciones de refuerzo para nuestra fe. El bautismo solo no es suficiente. El gozo y la paz que inundaron nuestras comunidades hace dos semanas ya empiezan probablemente a decaer y nuestras viejas maneras de ser pueden que estén de nuevo resurgiendo. Necesitamos una dosis semanal de apariciones del Resucitado en la Eucaristía que compartimos.

Las tres lecturas de esta semana, al igual que el salmo, señalan la debilidad de nuestra fe humana. No obstante enfatizan el perdón y la bendición que están siempre a disposición de aquellos que se vuelven a “Jesucristo, el Justo”. ¿Podemos reconocernos en el Evangelio de Lucas de hoy? ¿Nos damos cuenta de cuán profundamente necesitamos nuestra “inyección de refuerzo” semanal de la Eucaristía a fin de poder recordar y reclamar la presencia salvadora del Señor resucitado?
