FROM FATHER: Greetings in Christ! What a beautiful rain we had this past Friday. I hope all benefited by it. Sometimes, in Sacred Scripture, the blessings and graces from the Holy Spirit are compared to the rain and living waters. Come, Holy Spirit and fill us with the fire of Your love!

Recently I’ve had some good meetings with Fr. Lawrence who is soon to be your new Pastor. There is much helpful and practical information to hand on to him and a LOT for him to absorb. No doubt I will forget some important points but I am sure that you will prove very helpful for him as you have been to me! God bless you!

Here are some key research resources for those of you who would like to be better informed on how our nation has been attacked, manipulated, and abused by Israel. Regarding the assassination of President John F. Kennedy and also the growing political and cultural power of Israel over our nation, seek out Mr. Michael Collins Piper’s various works. His key work which I’ve read on the JFK murder is entitled: “Final Judgment”. He has written several other books as well. He is deceased, but you can find some of his talks on YouTube. I’ve listened to past episodes of his former radio program that broadcast out of Washington D.C. You may be able to find some of them on YouTube as well.

For the overall overview plus great depth look at the long run problems stemming from the post Incarnational Jews rejection of Jesus and thus the continual revolutionary spirit against Him, His Church and Christendom, seek out Mr. E. Michael Jones. He is a prolific Catholic author of many books (some of which I’ve read and plan to read more of them). He is also the founder of a long running magazine: Culture Wars and a website: CultureWars.com. You can find many of his talks and interviews given on YouTube as well.

Finally, regarding Israel being behind the 9-11 attacks, seek out the work and talks by Mr. Christopher Bollyn. He is an investigative journalist. He too has written several books. The one in particular that I’ve read that I recommend is: “Solving 9-11: The Deception That Changed The World”. I have several extra copies which I purchased. If you would like to purchase one from me, you can for \$25 (which is a little below my cost) while I am still present in Canton/Lennox. You can find talks given by Mr. Christopher Bollyn on this topic and others on YouTube as well.

We are supposed to be well informed (and not naïve) citizens and disciples of the Lord. As I’ve stated in the past, do you regularly pray and offer up your sufferings for the conversion of the Jews to Jesus and His Catholic Church? Again, as I’ve also stated, it is not only Jews nor all Jews who have been a source of many of the world’s woes the past 2,000 years (post Incarnation, rejection of Jesus “self-styled” Jews), but as you learn what I’ve learned you will say something akin to “Lord, have mercy!”. It breaks one’s heart. If you don’t know where a primary source of so many evils is from: (Communism, various wars in which we’ve been fooled to enter, abortion, pornography, transgenderism, undermining of Christian culture, drug and sex slave trading, racial tensions and much, much more), then how are you going to “cap” the constant flow of bilge? Speaking of bilge learn about the blasphemous things the Jewish “Talmud” states against Jesus and Mary. Here is something else that should still be common knowledge but is no longer. Did you know that in the first government of Communist Russia, among its 370+ “Commissars”, over 300 were of Jewish origin? (By the way, many change their last names. The infamous Leon Trotsky was originally Bronstein.) This was common knowledge back in the 1918-1920s. The U.S. ambassador to Russia at the time cabled the news that the “Russian” Revolution wasn’t really Russian in origin but Jewish. Yes, atheistic, but hand in hand with that rejection of God came a Jewish anti-Christian mentality—with great hatred against the Czar and Christians (in this case, Orthodox). The great Nobel peace prize author, Alexander Solzhenitsyn cried out that fact, but sadly few in our day and age know or care. As Christians we should be able to not only withstand and counter the lies and temptations, but as you know many times many have failed in that endeavor and some have actively cooperated with the plans of the “Father of lies”, Satan. Remember our Lord Jesus promised that what lie hidden will be brought into the light and even shouted from the rooftops by His disciples. I do hope there will be many who will be willing and able to do research using the sources I listed in this bulletin column and help educate others as well. The truth

(Continued) is NOT anti-Semitic. There is much more to tell but many cannot handle it now. A quote attributed to Mark Twain goes something like this: “It is easier to fool a man, than to convince him that he has been fooled”. I was in the fooled camp with the fake “history” narrative we’ve been propagandized by for a long time but no longer.

May the Triumph of the Immaculate Heart of Mary, according to God’s plan, come soon! In Jesus, Mary & Joseph, Father Rader
