From The Pastor...

Anyone serious about making any necessary changes to his/her life must be willing to **DISCIPLINE** himself/herself to adapt to the changes needed to bring about the desired outcome he/she desires. Change does **NOT** always come easily, especially if it requires letting go of immediate gratifications for future ones. Athletes preparing for competitions of one kind or another or those going on diets know what I mean.

Our Sacred Scriptures this weekend remind us that discipline is intended to **IMPROVE** our overall quality of performance and relationships with others in a much more dramatic and fulfilling way.

In the Acts of the Apostles (14:21-27) Paul and Barnabas encouraged the early Christians to persevere in their faith in the resurrected Jesus as well as in prayer and fasting to keep them in God's good graces.

The responsorial psalm (145) is a subtle "Thank You, Lord" for helping us "measure up" to what God knows is best for us.

The Book of Revelation (21:1-5) describes what we can anticipate as we **CONFORM** our lives to **BECOME** all the more like **HIS!!!**

The Gospel of John (13:31-35) has Jesus explicitly **ENCOURAGE** us to love one another as He loves us. There is no greater discipline than that!!!

May we continually challenge each other to discipline ourselves as instruments of God's mercy for others as well as for ourselves!!!

IN AND AROUND THE PARISH.....

CCD & CYO are on Summer Recess

The **CCW Book Club** will launch its second season with the book, "A Book of Saints for Catholic Moms", written by Lisa M. Hendey. This 52 chapter book will teach us more about the Catholic Saints, especially about the Saints who have a connection to Catholic motherhood. You may go online to your favorite bookseller to purchase your copy of the book, or call or text Karen Reiser at 402-336-8580 and she will add you to the order list. The book is approximately \$20, depending on the number we order and the cost of shipping. Book Club is open to anyone in the Parish wishing to participate. We will start in June, so watch for details about the first meeting date.

Please Pray for Vocations!

True or False ... God intends each of us to live amazing lives and touch the hearts of others in extraordinary ways? (True) But too many of us settle for much less. We get stuck in a rut because we don't have the time, know-how, or determination to get out of what's become comfortable. For those who want to get 'unstuck', to grow and discover how to get beyond 'ordinary', **YOU'RE AMAZING** is waiting for you by the church doors. This month's book from Parish Champions, introduces 5 ways to live with meaning and passion: 1- Be Real, 2- Be Courageous, 3- Be Prayerful, 4- Be Humble, 5- Be Encouraging. It's an honest look at everyday challenges ... "a call to action for each of us to go out and make a difference in today's messy world." In the first pages, it encourages readers to pair up with someone who will go on this journey with you, to support you, challenge you, and cheer you on. So maybe you need to pick up 2 copies, one for you and one for a trusted teammate.

Spiritual Adoptive Program At 4 months – our babies just keep growing and growing! Each one is almost half a foot long, and weighs almost half a pound! We've learned that each person is special from the very moment that he or she is created. Not only does each one of us get a unique body, with unique DNA, which grows inside our mothers' wombs – a body that is different from everyone else who has ever been and who ever will be on earth! – but God also gives each of us a soul! God made that soul especially for you – so that you could be complete for a special purpose on earth that no one else can fulfill! In the Bible, we read about God telling Jeremiah, **"Before I formed you in the womb, I knew you. Before you were born, I dedicated you, a prophet to the nations I appointed you"** (Jeremiah 1:5). Just as God had planned Jeremiah's special role, He has planned one for each and every one of us from the very beginning of time! Parents have a special role, you have a special role, and even the little unborn babies we've adopted have a special role. You must pray, though, and listen to God to discover what His very special plan for you is. And keep praying for your spiritually adopted baby, too. I wonder what God's plans for that baby are?
