Gospel Connection 2nd Sunday in Ordinary Time

RVs4MDs

Dr. Mark Quale is an emergency room physician in Burlington, North Carolina. Like many health care workers during the pandemic, Dr. Quale has been putting in 70- and 80-hour weeks at his hospital — but just as stressful has been the fear that he might bring the virus home to his wife, young boys and mother-in-law. So, when he would come home, he would strip off his scrubs on the porch and walk a specific route to a bathroom cordoned off by a tarp where he would shower.

But now, Dr. Quale isolates himself in a 31-foot-travel trailer parked in their yard. The loan of the trailer is the work of RVs4MDs, a Facebook group organized to connect health care workers with RVs so they can isolate near their homes. From a critical care nurse in Boston to an ER doctor in Lynchburg, Virginia, RVs4MDs has matched health care workers with RVs, trailers and campers in their area. To date, the group has matched 1,500 RVs with nurses, doctors, EMTs and paramedics around the country.

RVs4MDs began in April when Emily Phillips posted a request on her Facebook page asking if anybody had an RV her family could borrow for Emily's husband, an ER doctor in the Dallas-Fort Worth area. Holly Haggard replied offering her family's RV to the Phillips. Emily and Holly realized they were on to something and the two women created RVs4MDs. Within a week of posting their idea on Facebook, hundreds of RV owners signed on.

Before the arrival of Holly's RV, Emily says, "I was a nervous wreck. Every time my husband walked in the door or put his hand on something, I thought we were going to get (COVID-19), including my baby. But now that he's in that RV, I'm back to my life, focused on my full-time job and my kids, and it's completely changed our situation."

Dr. Quale and his family in North Carolina were matched with an RV from Kelsey and Tim Webb. The two families had never met, but Tim Webb drove his trailer for almost three hours to the Quales' home. The Webbs gave the keys to the Quales, telling them they could use the trailer as long as they needed it.

Renting their RV is a source of income for the Webbs, but Kelsey Webb says donating it to the Quales was a "no-brainer."

"This family was in need and this was the one way we could help," Kelsey says. "You can't put a price tag on this . . . It just makes my heart happy that we're able to do this for them and give them peace of mind."

[CNN, April 1, 2020; The Boston Globe, September 12, 2020.]

In today's Gospel, the first disciples meet Jesus and ask where he is staying — "Come, and you will see." Jesus dwells in every place where all are welcome and cared for; Jesus makes his home where everyone is assured a place; Jesus stays wherever compassion and forgiveness are readily offered. Jesus' "place" includes RVs and campers offered to provide a level of security and safety to medical personnel and their families during these difficult days. May our homes become fitting dwelling places for Christ to "stay," where all are received with humble generosity and honor as we would welcome Christ himself.

5th, 25th, 40th, 50th, 60th or 60 plus Anniversaries:

If you are celebrating any of these anniversaries in 2021, please call your Parish Office, by January 31st, 2021 to let us know so that your name can be sent to the Office of Marriage and Family. You will then be receiving an invitation for a Mass on Saturday, May 1, 2021 at 1:00pm at the Cathedral of St. Mary in St. Cloud

Bishop's Annual Appeal: Our diocesan ministries are walking with you during these challenging times as our staff continues to reach out to parishes and advance ministries in new and creative ways. Our diocesan website has updates, spiritual resources and prayers at www.stcdio.org.

Stewardship as a Way of Life: *"Jesus turned and saw them following him and said to them, 'What are you looking for?'" — John 1:38*

What are you looking for? Are you wasting your time looking for the material comforts of the world? Or is your heart longing for something deeper that can only be found by spending time with God? Take time each day in silence and ask the Lord what it is that He wants you to do.

What Mass Means: How Sacrifice and Real Presence Are Life-Changing

We tend to think of "sacrifice" and "real presence" as doctrines to believe in — perhaps with some vague awareness of complicated medieval terms such as "transubstantiation." But the logic of the liturgies of the various Christian traditions, and the whole point of the Vatican II renewal, is that our liturgical sharing in Christ's dying and rising is meant to transform us individually and communally. The implications are huge!

Thursday, January 28, Webinar presentation from 6:30-8:30 p.m. Event is Free. Registration is required (register at least five days in advance of the event); please visit www.collegevilleMN.com/theologyday, call 320-363-3560, or email theologyday@csbsju.edu to register.

CATHOLIC SCHOOL NEWS

HOLY CROSS

We are so excited to have everyone back at school full-time starting on Tuesday! Please pray that our schools stay healthy and safe as we transition back.

Starting January 15, students from Holy Cross will once again be selling \$5 tickets for the Catholic United Raffle. Each ticket purchased gives ticket buyers the opportunity to win a 2021 Ford EcoSport (or \$20,000 in cash), or other great prizes totaling \$40,000 in value. Best of all, every penny of every ticket sold stays at Holy Cross School thanks to Catholic United Financial. Please reach out to a school family, see Julene after mass, or stop by school to pick up your raffle tickets.

We invite you to come see how small class sizes, Christian values, and strong academics can help your child build a strong foundation. If you, or someone you know, is interested in sending your child to Holy Cross, please give us a call at 320-398-7885, and keep your eyes open for more information on open house and enrollment options.

Peace & Grace,
Tracy

ST. MARY HELP OF CHRISTIANS SCHOOL

Greetings! Help us spread the word... we are unable to have our typical Open House event for new and prospective families for the 2021-2022 school year. Instead, we are offering personal tours! This is a great opportunity to see our amazing school and ask any questions. If you are interested or know someone who might be, please contact me, (kkirks@smhocs.org) to set up a tour! Our Catholic school supports children each day as they grow in mind, body and faith. Students have the opportunity to celebrate the Eucharist weekly at school Masses. Children are taught the values of Catholic social teaching, which guide them in moral decision making.

Raffle tickets for the Catholic Schools Raffle are now on sale. The tickets are \$5 each. All proceeds from the raffle go directly to St. Mary Help of Christians School. Please consider purchasing tickets from one of our students.

We are looking forward to returning to in-person learning this week. As always, we welcome your prayers and appreciate your support!

Sincerely,
Kelly Kirks, Principal
