Please sit in the front of the church – we will no longer be taking communion to the back during mass.

Vaccinations for the coronavirus are now widely available for everyone over the age of 16. What great news!! So we strongly encourage you to get your shots sooner rather than later. We want the mask mandate lifted in our churches, businesses and places of social gatherings. That will happen when we reach a certain percentage of the population being fully vaccinated. Be Christ-like for your family, friends, and neighbors and help us reach “herd immunity” sooner rather than later!!! GET YOUR SHOTS TODAY!!

Religious Ed. Family Formation Fun Day will begin after 9:45 mass today. Most likely it will run to just after lunch time. We will have food and refreshments.

Diocesan Annual Appeal: Our Target is \$60,970.00. We have \$53,145.00 in Pledges and Donations from 179 parishioners and a large gift that has not been processed. We are within reach of the target!!! All contributions after the target are returned to the parish “tax free” meaning we do not have to pay on the Quota from the diocese for that income. THANKS to everyone who responded to the Appeal. Can you help us go over the top???

We are looking for someone to clean and do laundry (no personal) one day per week at the rectory. Can you help us or recommend someone? Please call the Parish Office.

There will be a special blessing for Mother's at all masses next weekend – bring your mom, grandmother, step-mother to mass with you!!!
