Formed Pick of the Week

The Case for Jesus by Dr. Brant Pitre

Dr. Brant Pitre, Scripture scholar and bestselling author, uses biblical and historical evidence to bolster the "case for Jesus" by exposing the problems with the many false theories that have been introduced over the past hundred years, resulting in widespread skepticism about the reliability of Christian Faith.

We pray that every baptized person may be engaged in evangelization, available to the mission, by being witnesses of a life that has the flavor of the Gospel.

TEMPLARS for Our Lady of Loreto ~ Safety Tip for October

Improper lifting is the top cause of back injury.

It is important to use proper lifting technique and know your limits. Use mechanical assistance or a partner to lift heavy loads. Even a small bag of groceries lifted with a twist or off-center can cause serious injury. Situate the load in front of you and between your knees; keep the back and shoulders straight; bend with your knees, not your back, and lift with your legs. Carry a load in front of and close to your body; lower it with a straight back using your legs.

Interested in joining the Security Team, contact Kevin Kasberg, kkasberg@msn.com 720-270-5163.

Gospel Meditation

If we are truly in love with God, then the basics are not going to be enough. That love is going to want to be expressed in going above and beyond, in leaving the comfortable and familiar, in stretching and growing, and in following a voice other than our own. St. Teresa of Calcutta rightly instructs us that for "love to be real, it must cost, it must hurt, it must empty us of self." Being in love with God requires more than just checking the boxes of the commandments. It requires a sincere and unconditional self-investment. Desiring God with our whole heart, mind, and soul means that I must also desire a relationship with my neighbor with that same degree of fervor.

Biases and prejudices usually occur when people are kept at a distance and treated as objects. We cannot truly know our neighbors, especially if they are different than us, if we keep them in boxes and do not listen to their stories. When we open ourselves to listen to another person's story, we begin to realize more how similar we are than dissimilar. Being overly attached to our possessions, ideologies, agendas, lifestyles, and personal needs are absolute barriers to achieving the type of personal investment love demands. This is why following Christ can be difficult. It is less a matter of intellect and more a matter of heart and soul. It requires that we transfer our treasure from an investment in tangible secular things and move it into the Kingdom of God. It is only the gift of wisdom and discernment that can help us decide what to do and how to do it.

Contemporaries of Jesus would know that a camel could not enter through the portal of a city weighed down with the baggage it was carrying. In order to enter, the baggage must be removed so that the animal could fit through the entry way. The same is true for us. We carry a lot of excessive baggage around with us that keeps us tethered to our past histories, wounds, myopic world views, prejudices, fears, and suspicions. To invest ourselves in the Kingdom of God, do God's work and live out our love relationship with God, we need to shed the extra weight. While it may seem that a lot of that stuff is necessary, it really is not. We are much more than the things that we think define us and more secure than we think. The more there is to hold on to and the more that we carry with us, the harder it will be to leave it all behind. Many choose not to and walk away sad because they are not ready to trust.

Why do we do that?

Question:

Why are Catholics required to get married in a church, and not outside or at a different venue?

Answer:

Because the sacrament of marriage is a sacred covenant between the husband and wife, the celebration of the sacrament of matrimony is much more than simply a social or family event. So, the rule that the sacrament be celebrated in a church is a way to help reinforce the deeper meaning of Christian marriage. To help make this clearer, the Church's tradition also normally includes the celebration of the Mass when the marriage is being celebrated between two Catholics, and so a church or chapel is the ideal setting. For special reasons — which vary from diocese to diocese — the local bishop can give permission for the marriage to be celebrated in another suitable place.

“Look upon yourself as a tree planted beside the water, which bears its fruit in due season; the more it is shaken by the wind, the deeper it strikes its roots into the ground.”

FAITH FORMATION

Children's Ministry

We are off to a great start this year!

We are so grateful to all of our families for offering us the privilege of working with your children. What a great gift to all of us.

Meet our Catechists! 7th & 8th grade Combo on Sunday mornings:

- Dan Jajczyk and Jaime Gomez

This class will be working in the T-3 Bible Timeline and a semester on Apologetics and the Catechism.

Our RE theme for the year: "My Heart Your Home"

What does it mean to rest in the heart of Jesus?

Jesus taught St. Gertrude to understand His love for each and every soul as deep, intimate, and personal. He showed her how He longs for each of us to come to Him in prayer. He wanted her to know His heart and to make it known.

The life of St. Gertrude the Great reminds us that at the heart of our Faith is a relationship. A deeply personal one: lived out, nourished, and enriched by everyday prayer, uniting us to Christ Jesus. God ardently desires to communicate the love of His heart to each of ours.
