

A Guide for Praying - Church of the Transfiguration January-May, 2020

**“We are many parts; we are all one body;
and the gifts we have, we have been given to share...”**

Beginning with the Feast of the Baptism of Jesus, January 12, 2020, we will begin reflecting on the gift of our community.

So that we can get to know one another better, a few Sundays will be designated as “Name Tag Sundays.” We invite you to learn a few more names of fellow parishioners.

thirsty.

During Lent,
we will join Jesus in his hunger and thirst in the desert.
For what / whom are **we** hungry and thirsty?

On Palm Sunday, April 5, 4:00 PM
Christian singer: Tajci Cameron
will perform a concert: I THIRST

During the Easter Season,
we delve more deeply into the call to **share** our gifts.
We will invite our neighbors and friends to share our life and prayer.

On May 3rd, 2020, yard signs will be provided
to interested parishioners
inviting people to come and join us for Pentecost masses on May 31.
