Bulletin covers now do NOT match the corresponding Sunday or calendar date. This is so because Holy Family Church will be consolidated into St. Leo next month and it is deemed a waste of money to enter into a year's contract for bulletin covers with so little time remaining. We hope everyone agrees and understands.

PARISH SACRAMENTAL RECORDS for all three (3) Sugar Notch parishes will be transferred to St. Leo, Ashley after the closure of Holy Family Parish.

PARISHIONERS NEED TO REGISTER: at the parish they decide to join, now or at some point in the future. What was the territorial boundaries of Holy Family comes under the jurisdiction of St. Leo, but church Canon Law also stipulates that individuals/families/households have the right to join the parish of their choice. Although records are transferred, membership at the new parish is **NOT** automatic and **NOT** presumed.
