property it is degrading to women that we should

HOPE PREGNANCY CENTER MINISTRY

“As your partner in outreach, Hope Pregnancy
Ministries invites you to join churches across
the nation in observing Sanctity of Human Life
Sunday. The effects of the January 22, 1973 Roe
v. Wade decision to legalize abortion have been
widespread and devastating for individuals and
our country as a whole. Did you know that 1 in
4 women will have an abortion by age 45? It is
with great compassion that I share this number
as it includes church women; likely those who
sit in your congregation each week. For every
woman there is also a man touched by the pain
of abortion. As our culture increasingly places
value on freedom of choice, may the church to
rise up with a louder voice...one that honors life!”

A STEWARDSHIP MOMENT

Second Sunday in Ordinary Time
Weekend of January 16/17, 2021
Christian stewardship begins with the call to
discipleship and in today’s Gospel we discover
those first individuals who sought out Jesus
and wanted to listen to him, learn from him
and stay with him. Today, Christian stewards
search out the hidden presence of Jesus in
their own lives every day. They know Christ is
the “Messiah” who will one day bring about a
perfect restoration to a troubled world. They
further understand that they are sacraments
of his hidden presence in the world. Their task
is to make that reality known through their
own words and actions. What is one thing we
can do to be better stewards of Christ’s life in
us?
