Saint Hugh: it's all about Love!

From the Pastor's Desk

Dear parishioners of St. Hugh,

Next weekend we will celebrate the Assumption of the Blessed Virgin Mary. That celebration to me is always a reminder that Summer time is maturing and that the first fruits and flowers should be collected and brought for the blessing.

Next Weekend the blessing of the first fruits of the season will be offered in the St. Hugh church during each weekend Mass. Let's be thankful to the Blessed Virgin Mary especially for Her being the mother of Jesus! Christ is the "fruit" that nourishes our souls and blesses our lives.

And as we talk about our blessings we can talk more about St. Hugh Parish being blessed by the blessings that help us to go forward. We are in the "Renew My Church," program! Part of it is to report the state of each parish that is in the program. All is important. I'd like to share some of the work that was done for St. Hugh in the last two years.

As of now;

1. St. Hugh has no debt! Miraculously we have avoided so far, the fate of most parishes of the Archdiocese. We don't have many parishioners, but we have many enough who care for this place. Sometimes we have hard time paying our bills but the last fiscal year (June 2019-June 2020) met the fiscal expectations! (Last 2 years)

2. Our buildings don't have any major problems. In the last 2 years I have been looking at the needs of all the buildings, especially the church building was looked at.

(Church building)

- a. The (East) main altar wall damage was fixed about 2 years ago. The wall fragments damaged by water was replaced and painted over. The A/ C unit problem outside that wall caused the (East) wall damage! The Church A/C problem was fixed at that time.
- b. The church boiler System was fixed and set last year. A boiler company together with John worked on it for a while but the boiler system was fixed at that time. It used to shut itself down without coming back on, which used to cause problem because it was hard turn it back on.
- c. The (north) church entrance suffered damage last thanksgiving. Thanks to the insurance the damaged part was rebuilt this summer. Together with that, a part of the roof was fixed as well. The roof is above the religious Ed classrooms.
- d. Our sound system needed some upgrades. Thanks to the speedy financial response of the parishioners, we were able to add a new microphone to the altar. The old wireless microphone has too many issues. The whole system was also professionally tuned up a few months ago. Hopefully, our Mass Celebrations-live and via Facebook/ YouTube are "crisper" and more heard than before.
- e. Our wood floor in church is being now clean and polished by a different product that gives a better protection and shine to the wood.
- f. Someone fixed our stain glass (south) window donating his time and materials to St. Hugh.
- g. The parking "well" (western church parking lot) was fixed a few months ago.

(Our rectory)

- a. The rectory boiler was fixed last fall. Thankfully, that was not a big problem to fix.
- b. The tree by the rectory was trimmed back to protect the roof. Part of the gutters were fixed.
- c. The rectory downstairs rooms were painted and fixed up by John lately. Some things are still to finish but it looks great already!!!

Saint of the Day

August 11. Saint Clare referred to herself as a little plant. In many ways, she was a strong oak. The first woman to write a Rule of Life for her sisters, she insisted on the privilege of poverty until her dying breath, getting papal approval of her Rule just days before she died. A model of humility, Clare cared for her sisters even through her own years of illness. Her devotion to Jesus was extraordinary.

August 12. Saint Jane Frances de Chantal was a wife and the mother of six. When her husband was killed, Saint Jane took a vow not to remarry and sought to join a religious community. She was dissuaded by her spiritual director, Saint Francis de Sales. Eventually, she and two others founded a community intended for those who could not join the established congregations. They wanted to actively engage in the works of mercy, but social circumstances forced them to live a cloistered life.

August 14. Saint Maximilian Mary Kolbe, a Conventual Franciscan, is best known for volunteering to take the place of a condemned prisoner in the death camp. But he also worked tirelessly for the spiritual welfare of people through a deep devotion to the Blessed Mother. His whole life seemed to revolve around Mary as the path to God.

Additional Updates from Father Robert

1. Our safety recap;

We have been following the guidelines of the Archdiocese of Chicago regarding the safety in church during the Covid-19 pandemic.

- As you know, the pandemic is still not over. Thank you all who follow the asked guidance. Our volunteers are always there to help and to answer any safety questions.
- The rules are uncomfortable to all of us, but they are necessary to keep us all safe.
- Please continue the good practices by (especially when in church) using properly face masks, keeping social distancing, allowing us to disinfect your hands when is time or when needed.
- Please continue not to congregate in church before or after the or parking lot nearby.
- The sacristy is closed for most of the people for now. I miss chatting with you in there but the sacristy is a small place where the social distancing cannot be kept. Masks only reduce potential infections but most of them don't eliminate it. Thanks for your understanding.
- Do not bring big bags, suitcases, etc. to church. Large items brought from the outside can bring the virus on them and they are hard to disinfect. Small items are allowed! Of course, anything can bring it in but let's not add to the risk.

2. Receiving the Eucharist In the Catholic Church during the pandemic!

Thank you for being understanding and working with us during these unfortunate times. The Eucharist is very important for us Catholics. As during the pandemic some of the rules have changed, we still respect the Eucharist!

At St. Hugh before receiving the Eucharist everyone who knows that they are allowed to receive it, should come early enough to participate at the Mass Celebration. Preferably enter the church before the Mass starts. Usually the latest moment to come to church during the Mass before receiving the Eucharist is the time before the Gospel reading. But for sure missing the entire Mass and then just asking for communion is usually not acceptable due to the respect that we owe to Christ in the Eucharist. When some people are too late, perhaps it would be wise to look for other options. The Eucharist is not about convenience. This is the living Christ that is being received.

Also the other parishes offer different options but either way the "Mass time" before receiving the Eucharist is required.

There are different rules for the sick and dying during the Covid-19 but not every priest is designated at this time to make such visits. The Archdiocese has organized a special "department" to serve the sick at this time. Please call the rectory for details.

We also have to remember that our volunteers who help us during the pandemic and take part during the Eucharistic procession to the altar, cannot be always on watch so let's respect their time as well.

Yours in Christ ,

Fr. Robert Marchwiany, Pastor.

Mass Updates and Thank You from Father Robert

Our daily and Sunday Mass Celebration during these different times. I am very glad that we at have at least a somewhat normal experience of the daily and Sunday Mass. I have expressed already many times how appreciative I am that our volunteers have stepped up to the challenge of serving us all while making the reopening of the church possible.

We hopefully will keep the freedom to come to church physically from now on. And hopefully we will be open totally soon.

After these last several weeks of the partial reopening I have been observing the process and I have come up with some suggestions.

Please:

1. Let us all be on time before any Mass Celebration starts. Being "on time" means these days at least to enter the Church 5-10 min before the planned start of the Mass. We only use the ramp door to enter the church at this time.

This process can be compared at the moment to a plane boarding. Where normally the passengers cannot just get to the plane because the crew has to let them in during any boarding! We almost try to do the same here at St. Hugh until the pandemic is over. Being at the door early enough helps the volunteers and helps us all to start the Mass Celebration on time! Late walk ins interrupt the Mass because the ramp door closeness to the altar.

2. Please be grateful to the volunteers for what they do for all of us, especially by keeping us all safe!

Fr. Robert Marchwiany, Pastor.

Renew My Church: Our Grouping Process Timeline

Creating vibrant parishes requires that we evaluate the business structures (how we operate), buildings, facilities, and financial requirements of existing parishes to assess where we can more prudently apply our resources to support and strengthen key ministry leadership roles, programs and activities. Ultimately, we must be good stewards of the gifts we have today to ensure they're able to support the faith lives of Catholics both today and in the future.

To that end, the Grouping Feedback & Discernment Team will meet from now through the Fall to discuss and prayerfully discern the ministerial and operational strengths and challenges of the parishes and schools within our particular grouping. Eventually the team will provide feedback and information about its grouping for archdiocesan leadership to review and present recommendations to Cardinal Cupich so he can make final decisions regarding potential changes to school and parish structures.

Along the way, there will be opportunities for everyone in our own parish to learn about the details of those conversations, ask questions, and share their own points of view on the strengths and concerns of any potential changes.

Schedule of Meetings

Below is our schedule of meetings – note the Parish conversations to which everyone is invited to attend. More details about those will be published in our bulletin and on parish website as those dates approach.

Grouping Feedback and Discernment Team Conversations

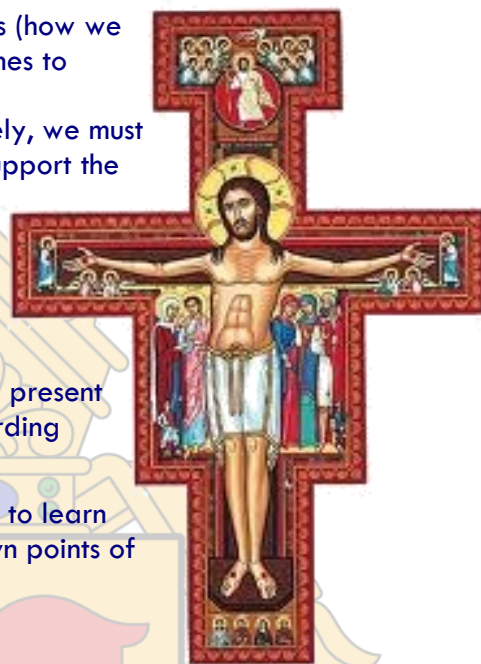

- ✦ First Grouping Session: Wednesday, August 26, 2020
- ✦ Retreat: Saturday, August 29, 2020
- ✦ Preparation for Parish Session: TBD
- ✦ More meetings/dates on the calendar.

Parish Conversations – for all parishioners to attend (TBD if they will be virtual/call-in OR in-person)

- ✦ First Parish Conversation: September 2020 (TBD)
- ✦ Second Parish Conversation: October 2020 (TBD)

The St. Hugh Team members are: Rev. Robert P. Marchwiany (Pastor), Christine Alfred (staff), Susan Kahler, Rosemary Kufta, Nicki Mendez, and Olivia Quezada.

Please visit the Parish website at www.sthughlyons.org and click the Renew My Church Icon for more information and the history about the parishes in our grouping.

One Million Hail Mary Challenge

Together we can pray 1,000,000 Hail Marys for the protection from the COVID-19 pandemic, especially for those in Healthcare, First Responders, Food Service and other job essential workers. Pray for those affected by COVID-19 or facing quarantine and those who have died. Pray for our family and friends for our health and safety. Send in your count to Michelle Brown at stmarymarys@gmail.com to be added to the challenge. As of July 30, we have prayed over 168,449 Hail Marys.

Please keep praying!

d. To save money, the carpets in the rectory are "original" and for now we will not have them changed. We had them cleaned last year.

(The gym)

a. The Heat was fixed last year.
3. We also try to replace all bulbs with LED bulbs. The church and the rectory are almost 100% LED lit. The church is much brighter than before and we save time and money. The LED bulbs don't burn out as fast as the others did. The other buildings are on the way to be LED lit.

Those are just main things that have been happening at St. Hugh, so it is in a decent shape. Every small thing matters because each creates the big picture of this blessed place!

I'm grateful to all who support the parish in anyway. Every household has many concerns! This one has those too, but all can be conquered when good people unite to help!

A Special thanks to all who work and volunteer for St. Hugh parish and to all who are part of us. May God continue His Great work in you!!!!

God Bless you!

Fr. Robert Marchwiany, Pastor.

Dear Parishioners of St. Hugh!

We are happy to announce that our 8 am comes back this weekend. Originally it was set to be back on the 30th but we feel that it would be better for all of us to have it back sooner.

Blessings,

Fr. Robert Marchwiany, Pastor.

St. Teresa Benedicta of the Cross (Edith Stein)

(1891-1942) August 9

"Come," Edith gently whispered, taking her sister Rosa's hand, "let us go for our people!" These were Edith Stein's last words as the Nazis, enraged at the Dutch bishops' condemnation of their genocide, took into custody all Catholic converts from Judaism. Born Jewish, but non-practicing from her teens, Edith's search for truth led to a doctorate in philosophy, a brilliant career as professor and author and, finally, to the Autobiography of Saint Teresa of Ávila, which she read in one sitting, then declared, "That is the Truth!" Baptized on January 1, 1922, observed then as the feast of Jesus' initiation into the covenant of Abraham, confirmed on February 2, the feast of Jesus' Presentation in the Temple, Edith entered the cloistered Carmelites in Cologne, transferring to a convent in Holland when she realized that, because of the Nazi persecution of the Jews, her presence could imperil the safety of the other nuns. She died in the gas chambers of Auschwitz as a daughter of Israel and of the Church.

Prayer to St. Michael the Archangel

Saint Michael the Archangel, defend us in battle. Be our protection against the wickedness and snares of the devil. May God rebuke him we humbly pray; and do Thou, O **Prince of the Heavenly Host**, by the **Power of God, cast into hell Satan and all the evil spirits**, who prowl through the world seeking the ruin of souls.

Amen.

Stewardship Thought

"He said, 'Come.' Peter got out of the boat and began to walk on the water toward Jesus."

(Matthew 14:29)

When you hear Jesus calling, do you respond immediately and trust that He knows what He's doing? If so, you are walking on water! When we say "yes" to Jesus, we feel the power of His presence in our lives. We can feel the freedom it gives us! Listen to how Jesus is calling you to live the extraordinary life He has intended for you.

Vincentian Reflection

In this Gospel, Jesus immediately stretched out his hand and caught Peter, and said to him, "O you of little

faith, why did you doubt?"

Please help the Society of St.

TIPS FOR ALL WORSHIPERS — What to Expect

BEFORE YOU ARRIVE — ☀ Check your temperature: if you have one, please do not come to church. ☀ Stay home if you are ill. ☀ Make sure you have a face covering to bring and wear. ☀ Make sure to register by calling the office or registering online..

WHEN YOU ARRIVE — ☀ Enter only in marked doorways. ☀ Wait patiently to be checked in by greeter. ☀ Keep your face covering or mask on at all times except for receiving Communion. ☀ Sanitize your hands as directed by greeter. ☀ Observe social distancing at all times (look for marks on the floor). ☀ Ushers will direct you to pews with markings showing where to sit. ☀ Since there will be no passing of baskets for your offering please leave your offering in the boxes provided at the entrance and exit areas.

DURING THE SERVICE — ☀ Do not change seats during a service. ☀ There will be no passing of offering baskets. ☀ No physical sign of peace will be exchanged during Mass. ☀ Follow instructions for Communion: • Leave your seat only when directed by usher or greeter. • Maintain six feet social distancing in the Communion line – look for marks on the floor. • When 12 feet or two people away from the priest, sanitize your hands using the sanitizer from the usher. After sanitizing do not touch any surfaces. • Approach the priest only after you are called forward. DO NOT remove your face covering. • Extend a single hand to receive the Host. • After moving six feet to the right or left, remove your mask and consume the Host. • Replace your face covering or mask. • Follow instructions to return to your pew.

AFTER THE SERVICE — ☀ Please take any worship aids you may have brought with you. ☀ You will be dismissed by pew or seating area. Follow the instructions of the greeter or usher. ☀ Use only the designated exit doors. ☀ Do not congregate outside the church doors. ☀ Continue to wear your face covering or mask until you leave the area where worshipers are.

While our parish staffs will attempt to take appropriate precautions consistent with the advice of public health authorities, parishioners and guests should understand that they assume the risk of contracting COVID-19 any time they enter a public space since such precautions do not eliminate the risk of infection.

Mass and Prayer Resources

Please check the Parish website and Facebook pages for resources.

We will continue to stream and record Mass as long as we can only have limited numbers that can attend Mass and for those who are part of the at-risk population who still need to stay at home.
