**THIRTY-SECOND SUNDAY IN ORDINARY TIME** – We tend to think of wisdom as something that one acquires through study and experience – something we can get for ourselves. However, one of the Gifts of the Spirit is Wisdom. This is not wisdom defined by human knowledge and experience. It is wisdom from God, and it is a gift. Through Wisdom, we see the things of the world in right relationship to God and learn to love the world and others. It helps us to value things properly, enabling us to respond to others with patience and charity.

*For you my flesh pines and my soul thirsts like the earth, parched, lifeless and without water. ~ Psalm 63:1*
