First I want to thank everyone for the warm welcome that I received upon my arrival. I look forward to getting to know you as time goes by. Since I don't know you I would ask that you take the initiative to introduce yourself to me. One of the best ways to do this is to invite me over, you don't need to feed me, just take the time to allow me to meet you one on one. The best way to contact me is on my cell phone 605-769-1005. I suggest that you put this number in your contact list so you can always reach me. You can use this number to text me as well.

As a side note, do not accept any requests made in my name for gift cards. Scammers have used my name before and have scammed the faithful. I will never ask you for gift cards, never ever. Placing my cell phone number in your contact list will help you recognize if I am actually the one trying to contact you.

Finally, you might want to know if I like to fish. The answer is yes. My idea of a good day of fishing is your boat, your gear, and I'll bring whatever you want for lunch and help pay for gas. I don't know much about fishing but I do enjoy it. I would also be open to a simple boat ride.

Thanks again for the warm welcome. Fr. Ken

Prayer of Abandonment

Father,

I abandon myself into your hands;
do with me what you will.

Whatever you may do, I thank you:
I am ready for all, I accept all.

Let only your will be done in me,
and in all your creatures -
I wish no more than this, O Lord.

Into your hands I commend my soul:
I offer it to you with all the love of my heart,
for I love you, Lord, and so need to give myself,
to surrender myself into your hands without reserve,
and with boundless confidence,
for you are my Father.

The Lighter Side..

The pastor was greeting people as they came out of church. As one infrequent visitor came by, the pastor took him aside and said, "You need to join the Army of the Lord!" "I'm already in the Army of the Lord, Father," the man replied. "Then why don't I see you in church except at Christmas and Easter?" the pastor asked. The man whispered, "I'm in the secret service."
