December 23, 2018

Dear Parishioners,

Christmas 2018. As we recall our Lord's becoming one of us, when the light of Christ entered our world - what better way to remember than for each of us to become beacons ourselves, shining the light of Christ into our world, wherever it is most needed.

Pope Benedict XVI wrote: "Christ came into this world to be with us, to live among us, to live in and with us, to fill in the distances that divide and separate us, to reconcile us with Himself and with one another."

I wish all our wonderful parishioners and your friends and neighbors, a peaceful and holy Christmas. Keep Christ the center of your celebrations.

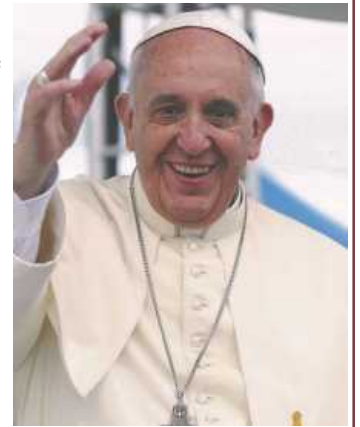

Merry Christmas!
Msgr. Michael Desmond

THANK YOU

Thank you to Pat & Barbara Filoso and staff of Hillcrest Farms of Verona, NJ for donating our Parish Advent / Christmas Tree. A Beautiful tree that provides all of our parishioners with joy and happiness this Christmas Season. All the best to Hillcrest Farms in the coming year!

Pope Francis Says LAUDATO SI' Chapter Five LINES OF APPROACH AND ACTION

Para. 164

A global consensus is essential for confronting the deeper problems, which cannot be resolved by unilateral actions on the part of individual countries. Such a consensus could lead, for example, to planning a sustainable and diversified agriculture, developing renewable and less polluting forms of energy, encouraging a more efficient use of energy, promoting a better management of marine and forest resources, and ensuring universal access to drinking water."

Para. 173

"Enforceable international agreements are urgently needed, since local authorities are not always capable of effective intervention. Relations between states must be respectful of each other's sovereignty, but must also lay down mutually agreed means of averting regional disasters which would eventually affect everyone."

Para. 180

"At the same time, on the national and local levels, much still needs to be done, such as promoting ways of conserving energy. ... Political activity on the local level could also be directed to modifying consumption, developing an economy of waste disposal and recycling, protecting certain species and planning a diversified agriculture and the rotation of crops."

DO YOU HAVE FIVE MINUTES A DAY?
DO YOU WORRY ABOUT
OUR WORLD TODAY?

We would like to invite you to become part of the **LIVING ROSARY**. This activity was started at Saint Aloysius Parish a number of years ago as a means of joining our prayers together to pray for peace in our country and for all our special intentions. It is also in response to people's needs for greater spiritual growth. At this time we have several teams of 5 members each participating in our living rosary. It is a power house of prayer!

This activity may be taken on by anyone. Families can participate, the home bound can become part of the Living Rosary; persons on their way to work can join also. There are no meetings to attend.

What is necessary to become part of the Living Rosary is a commitment to say one decade of the Rosary each day. You then become a member of a team who together says the entire rosary each day. It is said for the intentions of those members comprising the Living Rosary and for the specific and special intentions of our parish. It can be done at home, in the car, on the train, and any time of your day.

The Rosary has been used for centuries for world peace, against the heresy of the times, during the Nazi occupation of Poland and at many other times. This is a simple devotion, parish oriented, that demands little of its members and produces great spiritual results.

If you are interested in becoming a member of the **LIVING ROSARY**. Please fill out the form below and put it in the collection basket, drop it off at the rectory or the parish center, or call Dee Taylor at 973-226-0209 x 32. We will then contact you to coordinate the groups and mysteries of the Rosary.

I am interested in becoming a member of the **Living Rosary**:
