## *Scripture Reflection*

*As in any new counter-movement, early Christians made their case regarding Christ's identity and redemptive work under perilous conditions and the possibility of persecution. Their faith and commitment were expressed at enormous risk.*

*This is still true for Christians in some places and situations, but not for most of us. Today's readings challenge us who are not personally endangered: How compelling is our personal faith commitment?*

## OPERATION MATO GROSSO

### *Food Drive for South America*

Dear **St. Gabriel Church** parishioners,  
We, Operation Mato Grosso volunteers, extend our sincere thank you to all who have supported our very successful 2019 Food Drive.

We collected over 100,000 pounds of food, and over \$15,000 in monetary donations in just two months. Thanks to you and to the support of the other nine Catholic churches and four schools. A special thanks goes out to all the teenagers who spent their Saturdays and Sundays in front of supermarkets collecting food. This year we had more than 70 teenagers who have come to help! We cannot sufficiently find a way to convey our appreciation for all your support. We still can't believe it! We will fill the first entire shipping container (40 feet long) in the next two weeks and the other one right after. They will arrive in the port of Lima, Peru by mid-June. The food will be used in our programs – in our schools, parishes' soup kitchens, hospitals, clinics, orphanages, and more.

This container is a sign of the goodness of so many people; it is more than just food. It carries with it a message of our good faith in humanity. As you know in our mission sites, we try to provide a future for young people, teaching them to be good and help others as they have been helped. In the U.S., this is an opportunity for our teenagers and young adults to give their time for others, at the same time building a community among them, a true friendship. Our three youth groups are growing, and we hope we will impact more- and-more young people, here in the US, in South America and in Italy.

I extend to you a hearty THANK YOU! All of this wouldn't be possible without you.

Operation Mato Grosso volunteers
