## St. Faustina and Holy Communion:

"Every morning during meditation, I prepare myself for the whole day's struggle. Holy Communion assures me that I will win the victory; and so it is. I fear the day when I do not receive Holy Communion. This Bread of the Strong gives me all the strength I need to carry on my mission and the courage to do whatever the Lord asks of me. The courage and strength that are in me are not of me, but of Him who lives in me—it is the Eucharist."

(#91, Divine Mercy in My Soul Diary)

"After Communion today, Jesus told me how much He desires to come to human hearts. **'I desire to unite Myself to human souls; My great delight is to unite myself with souls. Know, My daughter, that when I come to a human heart in Holy Communion, My hands are full of all kinds of graces which I want to give to the soul. But souls do not even pay any attention to Me; they leave Me to Myself and busy themselves with other things. Oh, how sad I am that souls do not recognize Love! They treat Me as a dead objects.'** I answered Jesus, 'O Treasure of my heart, the only object of my love and entire delight of my soul, I want to adore You in my heart as You are adored on the throne of Your eternal glory. My love wants to make up to You at least in part for the coldness of so great a number of souls. Jesus, behold my heart which is for You a dwelling place to which no one else has entry. You alone repose in it as in a beautiful garden.'"

(#1385, Divine Mercy in My Soul Diary)

**"My daughter, write that it pains Me very much when religious souls receive the Sacrament of Love merely out of habit, as if they did not distinguish this food. I find neither faith, nor love in their hearts. I go to such souls with great reluctance. It would be better if they did not receive Me.'**

(#1288, Divine Mercy in My Soul Diary)

Most sweet Jesus, set on fire my love for You and transform me into Yourself. Divinize me that my deeds may be pleasing to You. May this be accomplished by the power of the Holy Communion which I receive daily. Oh, how greatly I desire to be wholly transformed into You, O Lord!"

### **THE ONLY WAY**

Down through the ages My Power alone has kept millions of souls brave and true and strong who else would have fallen by the way.

The Faith has been kept alive and handed down, not by the dwellers in ease, but by those who struggled and suffered and died for Me.

This life is not for the body, it is for the soul, and man too often chooses the way of life that best suits the body. Not the way that best suits the soul. And I permit only what best suits the soul.

Accept this and a wonderful molding is the result, reject it and My Purpose is frustrated, your best prayer unanswered, progress (Spiritual progress) delayed, trouble and grief stored up.

Try, each of you, to picture your soul as a third being trained by us—by you and Me—and then you will share, and rejoice in sharing, in the discipline and training.

Stand apart from your soul with Me and welcome training—rejoice at progress.

### **Mother Teresa's Words of Wisdom**

By abortion, the mother kills even her own child to solve her problems, By abortion, the father is told that he does not have to take responsibility at all for the child he brought into the world.

The father is likely to place other women in the same trouble. So abortion leads to abortion. Any country that accepts abortion is not teaching its people to love, but to use violence to get what they want. This is why the greatest destroyer of love and peace is abortion.

"It is a poverty to decide that a child must die so that you may live as you wish. How can there be too many children? That is like saying there are too many flowers,"

The first person in the world to welcome Jesus, to recognize Him in the womb of His mother was a child: John the Baptist. How wonderful, God chooses an unborn child to announce the coming of His redeeming Son.

*Mother Teresa*
