Shelby County Catholic Schools will be hosting our Tribute to Harvest fundraiser on Nov. 9 at St Mary's Parish Center in Panama. This annual event encourages parents, students, family members, friends and SCCS supporters to have a great meal and fun evening while supporting our awesome school. Dinner will be served from 5:30 to 7:30. The auction will start immediately following dinner. The night will end with an \$8,000 cash prize drawing. Tickets for the drawing can be purchased for \$50 per ticket. You can contact Fr. Dan (747-2091) or Julie Kruse (712-251-1009) or Kari Sonderman (712-579-5154) if you would like a ticket. All proceeds will go to support SCCS. This event helps fund educational programs, building expenses and staff salaries. Please come join us as we celebrate the 2019-2020 academic school year.

Thank You: The Shelby County Right To Life Committee wishes to thank all who attended the Life Chain on October 6. For one hour nearly 40 people stood in silent prayer and meditation giving witness to the sacredness of life. We thank the pastors for promoting the event, and God for perfect weather.

Ever Wonder Why ? (Part I)

There is a multitude of anomalies, inconsistencies and downright deceit surrounding the abortion issue.

Why is it. .. one never sees the word "abortion" on the buildings or signs at abortion clinics?

If abortion is such a good "choice", why hide what it is they really do?

Why is it. .. when three people die from E.coli poisoning, spinach is immediately pulled off the shelf in every corner of the nation, but when eight women die from the RU-486 (the at-home abortion pill) no one even raises an eyebrow?

Why is it. .. that on one floor of many US hospitals they will abort babies left and right, but on another floor, we spend tens of thousands of dollars to save a child born at the same gestational age as the children being aborted floors below?

Why is it. .. when a woman goes into an abortion clinic, the champions of "choice" only offer the choice of abortion?

Why is it... that Planned Parenthood has a budget well over \$800 million a year, while pro-life organizations are forced to eke out projects and programs on a shoestring budget?

Why is it... that we are flooded with images of violence in our media, yet it is deemed entirely inappropriate to provide any photos or images related to an abortion and even provide the public with a factual description of what takes place?

Why is it... that abortion protagonists use incomprehensible language such as "disarticulating a fetus" or

"But I feel that the greatest destroyer of peace today is abortion, because Jesus said, 'If you receive a little child, you receive me.' So every abortion is the denial of receiving Jesus, the neglect of receiving Jesus."
