**PLEASE READ THE WORK LIST: CHANGES HAVE BEEN MADE FROM LAST YEAR.** Our work force is getting smaller, so everybody needs to pitch in and do their share to lighten the load. Please be accountable. Some people may have been moved to a different day and/or shift because they were scheduled for two jobs at the same time. We try not to let this happen, but if you are scheduled for more than one job at a time, please fill in where you are most needed. **If you cannot work your scheduled time, please find a replacement.** **Parents:** Please make sure your **children know when and where they are scheduled to work.** If you were inadvertently left off this list and would like a job, please call a chairperson to volunteer. **If you choose not to be a Chairperson next year, you need to find a replacement.** Thanks for your cooperation!
