Cursillo means “short course” and consists of talks given by priests and lay persons with participation in small group discussions. Weekend participants also share the Eucharist, sing, pray and fellowship together. North Country Cursillo of the Ogdensburg diocese is planning to hold two Cursillo Weekend events this fall. These weekends will be held for men on November 21-24 at Wadham Hall in Ogdensburg and for women on December 12-15 at Wadham Hall in Ogdensburg. August 6th
Be transformed
Jesus took Peter, James, and John up a mountain to pray. But it was not a typical prayer time for these friends as they watched Jesus’ appearance change, saw him talk to the long-dead Moses and Elijah, and heard a voice from a cloud tell them to listen to the chosen Son. Whether this is a mystical experience, a symbolic story, or a misplaced Resurrection account is open to interpretation. It is clear that Jesus was unlike all others and they—and we—are to follow him. Today’s memorial of Hiroshima provides the opportunity to “transfigure” our world through prayer and practice of peace as we follow our Lord. While he was praying his face changed in appearance.”

Environmental Stewardship:
Tip for Summer - According to world top scientists the greatest human contributor to carbon emissions is refrigeration. (Drawdown, Ed. Paul Hawkins 2018) Turning the air condition and freezer a few degrees less cold this summer can reduce the carbon emission in our atmosphere that affects change in climate.

Protecting God’s Children: All parishes and diocesan schools use VIR-TUS a compliance management system for all volunteers, employees, and clergy who work with minors in compliance with the Diocesan Policy for the Protection of Children and Youth. Please visit rcdony.org/safeenv for info.
