GREETINGS FROM FR. DAVE

Okay good people, transition time is almost on us! Fr. Hans has one more week with us. Our going-away receptions will take place next weekend, June 26-27, after each of the Masses. Fr. Tony Galati (still Deacon Tony as of this writing) will join us on July 1st and I am eager for you to all meet him. All kidding aside, I too will miss Fr. Hans greatly. We have served well together and enjoy each other a ton. God bless him as he takes over leadership at St. Juan Diego!

We are continuing our current practice here at church for weekends, requiring no sign-up or selection process for Masses. Due to our gradually increasing numbers we are still requiring mask wearing inside the church and are maintaining every-other-pew seating in the far side sections for those still getting used to being back with crowds. We plan to send out an all-parish mailing in July with an invitation to return for those who have for whatever reasons gotten out of touch with us. Live streaming Masses will continue indefinitely. It is so very good to see some normalcy return!

As we regain our numbers we are in need of additional volunteers. Greeters are wanted for all Masses. Please contact Jim Huntzicker at huntzicj@ohsu.edu or 503.536.5068 if you are interested. Coffee & Donuts will

return in July and needs more help as well. Email Allie Buchanan at mrsrlb76@hotmail.com. Thanks to all of you who have faithfully stepped forward in so many ways.

On a personal note, my mom died last Sunday. Many of you know she has had major health issues in recent years that increased to the point where her quality of life had greatly diminished. With the help of wonderful caregivers and Dad's faithful care, she remained at home to the very end. We are all relieved she died peacefully and her journey here is over. Our family is having a private memorial this weekend at one of my brother's home. Their 69th wedding anniversary would have been June 21st! Pretty impressive. May her soul and all the souls of the faithful departed, rest in peace.

Blessings to Jaelynn Abisado; Gabriella Berame Cabalfin; Domonicke Bohanan, Jr.; and Mateo Urzva, who were baptized this weekend!

Congratulations to Jasmine Hoang and Son Le, who were married here on Saturday, June 19th! Blessings to you both, and to all of our engaged and married couples.

Students and Teachers quickly adapted to comprehensive digital learning during Fall 2020

Holy Trinity Catholic School began the school year in three formats- fully digital, limited in person, and with full day child care. Our teachers launched

digital classrooms with Google Classroom and full day Zoom live lessons. Students completed work digitally and diligently. Parents responded to the call to support learning with flexibility and understanding. In all of these formats, we remained a community rooted in excellence and the Gospel.

New Tech Tools

We all scream “WiFi”!!!

Significant upgrades were made to our technological infrastructure to support success.

Holy Trinity Catholic School made bold moves to increase the wifi speeds, signal and support for this busy year. Mrs. Katie Walker joined our staff as Digital Learning Coordinator. She helped staff, parents, and students with Zoom, email, connectivity, broken screens, Chromebook loans, and more. Her greatest achievement might be setting each teacher up for their live streaming, making SmartBoards, projectors, iPads, document cameras and laptops all talk to each other and send our teacher’s voices into the world wide web.

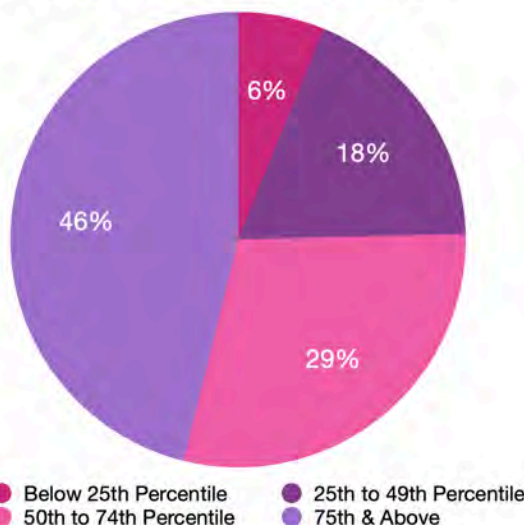

HTCS contracted with Comcast to upgrade to fiberoptic cables. As the first and only business to need fiberoptic in our neighborhood, we faced a county timeline, digging, installation and delays. Since install, we run 150+ devices simultaneously with live streaming and are nearly problem free! The school purchased additional chrome books, iPads, laptops for teachers, microphones, stands, speakers, and other devices to make lessons easier to teach and learn.

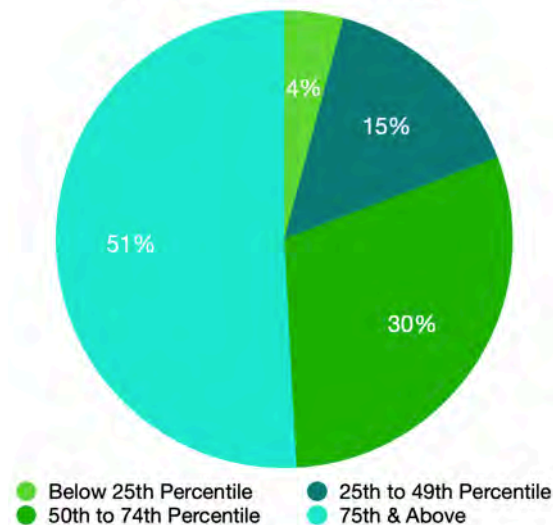

STAR Reading and Math Scores

HTCS scores indicate students experienced some learning loss during digital learning. Great gains were made once students returned to campus, full time!
