*Tabitha's pup, Gus, doesn't like to cooperate when taking photos with her, but he's too cute to stay grumpy at him for long! Sticks / branches are the great love of his life, which is why you'll usually find a pile of them in the school office or right outside the front door.*

We hosted two Back to School Nights to split up families and allow for social distancing. Last Tuesday, our Middle School teachers hosted an outdoor meet-and-greet after sending home introductory videos to parents. 6-8<sup>th</sup> grade students at HT take seven classes each day with English/Language Arts, Math, PE/Health, Spanish, Religion, Science, Social Studies, and an elective.

Their elective choices include Choir, Band, Latin, History of Sci-Fi, Personal Finance, Geometry, Basketball Skills, Book Club for the Curious, Anatomy & Physiology, Art & Modern Media, and

Art: Concept to Creation. So far this year, students love having lockers, seeing their friends again, and recess!

### FERTILITYCARE MINISTRY

Ally Rudd, FertilityCare Practitioner Intern – [allyr@h-t.org](mailto:allyr@h-t.org)

## Creighton Model FertilityCare System

"The CREIGHTON MODEL FertilityCare System (CrMS) is based upon the knowledge and understanding of the naturally-occurring phases of a woman's fertility and infertility. CrMS relies upon the standardized observation and charting of biological markers that are essential to a woman's gynecological and reproductive health. Now, a woman can know her cycles and use this information for the maintenance of her health. Further, couples can use this knowledge to plan their family and build their future together."

(FertilityCare Centers of America)

## FAQs

***Is CrMS the same thing as the calendar rhythm method?***

No! CrMS is specifically distinct from the calendar rhythm method. Rather than estimating the date of ovulation based upon the assumption of regular cycles, CrMS utilizes biological markers to identify days of fertility and infertility based on research conducted at the St. Paul VI Institute in Omaha. This makes the system highly effective and applicable to women at all reproductive stages.

***I'm not married or engaged. Is there any reason for me to use this system?***

Absolutely! While it is a system that can be used by married couples to avoid or achieve pregnancy, it is a system that can also be used by single women to better understand their fertility and monitor for potential health problems.

## How do I get started?

1

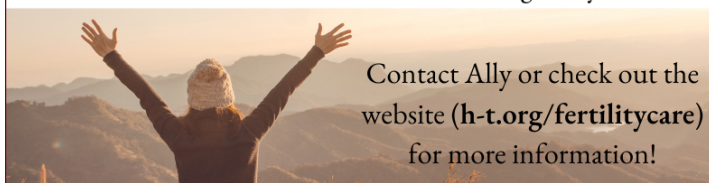

Contact Ally to attend a free Introductory Session.

2

Learn how to chart your cycle through individual follow-up sessions.

3

Monitor your health and fertility through all reproductive stages of your life!

### Sept. 26: World Day of Migrants & Refugees Toward an Ever Wider “We”

*“We must make every effort to break down the walls that separate us and, in acknowledging our profound interconnection, build bridges that foster a culture of encounter. Today’s migration movements offer an opportunity for us to overcome our fears and let ourselves be enriched by the diversity of each person’s gifts. Then, if we so desire, we can transform borders into privileged places of encounter, where the miracle of an ever wider ‘we’ can come about.”*

—Pope Francis, Message for the 107<sup>th</sup> World Day of Migrants and Refugees

What can you do to support migrants and refugees in our community? Volunteer with Catholic Charities of Oregon! Many of the tasks they need help with are the same as what we did with our Refugee Ministry several years ago, including welcoming them at the airport and helping them navigate their new home and culture. Learn more at [bit.ly/VolunteerRefugees](https://bit.ly/VolunteerRefugees).

HOLY TRINITY FOOD CLOSET IS AN EQUAL OPPORTUNITY PROVIDER.

### NUMBER OF PEOPLE SERVED

Food Closet		Backpack Program	
Last Week	268	Last Week	0
Since January 1 <sup>st</sup>	10,649	School Year	35

We are beginning to ramp up the Backpack Program for the school year! Right now we have three schools we will be helping but that could increase as the school year progresses. We currently have plenty of small backpacks, but we could use some extra large backpacks; if you would like to donate a few, it would be appreciated!

Also, we have been receiving some food donations after hours the last few weeks. All donations are greatly appreciated – however, leaving foodstuff outside gives local birds and critters an opportunity to enjoy it first. We are in the process of having an outdoor drop box created; however, I would encourage you to please stop by during pantry hours: Tuesdays, Wednesdays, and Fridays from 9:00am to 12:30pm (we open at 10:00am but you can drop-off items while we’re setting up).

If you can’t make it during those times, take your donations to the Parish Office – they’re open 8:00-4:30pm, Monday through Thursday, and on Friday from 8:00-2:00pm. You can also bring donations when you come to Mass on the weekend and put them in the large wooden boxes in the foyer by the elevator – just no perishables, please, as the boxes won’t be checked until Tuesday.

Thank you as always for the support!
