FALL BLOOD DRIVE

Tom Stoffel – 503.806.1816

There's a severe
blood shortage.

The Red Cross is still facing a severe blood shortage nationwide of all blood types. Someone in the U.S. is in need of blood every two seconds, and that was *before* the COVID pandemic began. To end the shortage and meet current hospital demand, they need to collect more than 1,000 additional blood donations each day. Scientists can't manufacture a solution for this problem; only generous donors can fill this constant need, and one donation can potentially save multiple lives.

Our Fall Blood Drive is **Friday, 10/22 from 1:00-6:00pm in Fireside**. The Red Cross has increased their safety protocols and are testing all donations for COVID antibodies as an extra health service to donors.

Enter *HolyTrinityBeaverton* as the sponsor to see available donation times at redcrossblood.org and sign-up today! Many thanks to our Knights of Columbus for coordinating these life-saving drives.

Pope Francis
@Pontifex

During this time of crisis - health, social, environmental -- let us reflect on how the use of material goods can be harmful for the earth. Let us choose to change and to move toward a simpler and more respectful style of life regarding creation. #SeasonOfCreation

Pope Francis
@Pontifex

Christian spirituality proposes moderation and simplicity that allows us to stop and appreciate the small things, to be grateful for the opportunities life affords us, to be spiritually detached from what we possess, and not succumb to sadness for what we lack. #SeasonOfCreation

FOR WHAT IT'S WORTH: THOUGHTS ON FAITH

Erin Nieves – erin@h-t.org

CCC 1730: God created man a rational being, conferring on him the dignity of a person who can initiate and control his own actions. "God willed that man should be 'left in the hand of his own counsel,' so that he might of his own accord seek his Creator and freely attain his full and blessed perfection by cleaving to him" (GS 17; Sir 15:14). Man is rational and therefore like God; he is created with free will and is master over his acts (St. Irenaeus, Adv. Haeres. 4, 4, 3: PG 7/1, 983).

"God created man a rational being": that's you and me, *men and women*, and that's directly out of the Catechism of the Catholic Church (CCC). We know this, by the way, also from the Creation Story in the Bible, which is where the Catechism gets this from.

CCC continues, *"conferring on [them] the dignity of a person,"* and we know this too from the Bible, that we are *created in the likeness and image of God*. That means all of us, big and small, frail, healthy, young, and old. EVERYONE!

And it goes on, *"who can initiate and control their own actions"* – in other words, to begin and be responsible for. And we don't just get to, we NEED to decide and act, using our reason, our faith, our beliefs.

Why? *"God willed that man should be 'left in the hand of his own counsel,'"* or be responsible for OURSELVES. That is how God created us, *"so that he might of his own accord seek his Creator."* This means we, on our own volition, can choose to seek and find God, to know His ways, and to accept them or not.

When we do, we *"attain His full and blessed perfection by cleaving to Him."* 'Cleave': adhere closely, stick, cling to. That allows God to form us, both our hearts and our minds.

"[We are] rational and therefore like God; [we are] created with free will and [are] master over [our] acts." There is no better place to seek my answers than from God Himself and the faith that I profess.

Want to know more about our conscience, dignity and responsibility? *Read CCC In Brief: 1743-1748.*

It's a great gift we've been given. Use it well! +

MINISTRY NEWS

SOCIAL JUSTICE MINISTRY

Eileen Sleva – 503.713.7939 – eileen.sleva@gmail.com

Oct. 4: Feast Day of St. Francis of Assisi, Patron Saint of Animals and Ecology

"How can we not see in [Francis] a particularly urgent teaching for our time, in which man, with worrying lightness, is slowly destroying the vital environment, which the wisdom of the Creator has built for him? The testimony of Francis induces the men of today not to behave as foolish "predators" towards nature, but to take responsibility for it, taking care that everything remains healthy and intact. . .to offer a welcoming and comfortable environment even to the men to come."

— St. Pope John Paul II, *Angelus* (March 28, 1982)

"A true ecological approach always becomes a social approach; it must integrate questions of justice in debates on the environment, so as to hear both the cry of the earth and the cry of the poor." — Pope Francis, *Laudato Si'*

"We are not on earth to guard a museum, but to tend to a flowering garden of life." — St. Pope John XXIII

RESPECT LIFE MINISTRY

Gloria Bernard – 503.799.4496 – globernard2@gmail.com

RESPECT LIFE MONTH

St. Joseph, defender of life, pray for us!

October is Respect Life Month, and the first Sunday of October is observed as Respect Life Sunday! As Catholics, we are called to cherish, defend, and protect those who are most vulnerable, from the beginning of life to its end and at every point in between. To celebrate Respect Life Month, we have our annual **October Diaper Drive**! The collection barrel for **diapers and baby wipes** will be in the narthex **now through Sunday, October 31st**. Donated items will be divided between our Food Closet and the Beaverton Pregnancy Resource Center. All sizes of diapers/training underwear are gratefully accepted, but **larger sizes are preferred**. Diapers/wipes can also be brought to the Parish Office during the week.

Huge thanks to Tom Stoffel for creating our new after-hours food drop box! It is located by the garage in the covered area (a more permanent sign is in the works).

Please leave only unopened and non-refrigerated food in the after-hours box. We would prefer that fruits and vegetables are donated when we are open: TWF, 9:00-12:30pm (we open at 10:00am but you can drop-off items while we're setting up). If you can't make it during those times, take your donations to the Parish Office: MTWR, 8:00-4:30pm; F, 8:00-2:00pm. You can also bring donations when you come to Mass on the weekend and put them in the large wooden boxes in the foyer by the elevator – just no perishables, please, as the boxes won't be checked until Tuesday. Thanks for all your support!
