TWENTY-NINTH SUNDAY IN ORDINARY TIME – What does it mean to you to “render unto Caesar what is Caesar’s and to God what is God’s?” Pay your taxes and go to church? Praying for hours and going to church every day does not mean that you are doing God’s will when your neighbor is suffering. The one who spends their day doing their job and helping people as they can but never going to church may be far more in tune with God’s will. Life has obligations – work, taxes, obeying laws, voting, and so on. God has told us to love one another. These are not mutually exclusive but rather all part of what we are called to do. Don’t worry about what others do but consider what you do.

We keep thanking God for all of you and...of the way you are proving your faith and laboring in love. ~ 1 Thessalonians 1:2-3

Share Your Harvest by Gifting: By gifting appreciated stock, grain, cattle, or other commodities directly to the Catholic Community Foundation through your local market, you bypass taxable income and the donor then lets us know what parish, school, cemetery or ministry to direct the donation. For more information, please contact Marne Hult at 605-880-1460.

World Mission Sunday: Today in this Extraordinary Missionary Month, we are called to personal encounter with Jesus Christ alive in the Church, and to offer, through this Eucharistic celebration, our prayers and our generous financial support, through the Society for the Propagation of the Faith, to continue the mission of Jesus on this World Mission Sunday. Your prayers and financial help offered today support mission priests, religious Sisters and Brothers, and lay catechists who are Christ’s witnesses to a world so in need of His healing, love, and peace.
